

The Right to Wear White is a Christ-centered non-denominational retreat. All the sessions are focused on the message of purity before marriage founded on Biblical principles.

Our desire is to encourage girls 12 to 18, with the help of their moms, to follow the truths in our Father's message of "the gift of purity before marriage." We believe it is one of the strongest foundations for building their future marriage.

Our prayers are for this message to reach every girl. We do want you to know the love we have for the Lord, His Word, and the passion we have for the message of purity. That is the basis for all we do.

Thank you for considering this retreat and passing this brochure along. Please take a moment to pray for this year's retreat.

Purity is a gift of choice and commitment

*"Come now, let's settle this," says the Lord,
"though your sins are like scarlet, I will make
them as white as snow; though they are red as
crimson, they shall be like wool."

Testimonies from Attendees

The Right to Wear White has helped me grow in many ways. The Retreat has built up my self-confidence immensely throughout the years. I have learned to love myself and to understand the importance of being a woman and the gift that I have to offer, when the time is right. It has caused an amazing group of people to come together and work towards a common goal that we all strongly believe in. I have made friendships along the way and hope to make many more in the future. I have been blessed with the ability to help young ladies learn that staying pure is through their mind, body and spirit, which is a hard thing to do in today's society.

– Laura King, 18

I loved the Gala Ball and the self-confidence activities. I think that the wonderful talks helped me think differently about marriage.

– Katherine

I believe that The Right to Wear White retreat gave me a deeper understanding of what purity is. I understood so much more about my mother and learned to appreciate her more.

– Emily

When I read 1 Peter 3:10 it really spoke to me on how people speak evil and it spoke to me how not to speak evil.

– Belinda

Volunteering helped me to realize that God gives second chances to his children by gracing his daughters with husbands who respect their choices. He does wonderful things through this retreat by preparing his daughters to embrace his sons.

– Courtney Palmer, 25

I think it is awesome to stay abstinent until marriage. The Right to Wear White inspired me to go to the silvering thing which is another course for abstinence.

– Christy

The most fun thing to do with my mom was getting her ready for the gala ball. Best part of the retreat was everything. The friends that I made were Kimberley.

– Erica

Why my mom should come? She is a great person who I care for, great example for young ladies. She is the only one who can drive safely!

– Deah Jones, 12
